congregational music can be an act of praise a vehicle for theology an action of embodied community as well as a means to a divine encounter this multidisciplinary anthology approaches congregational music as media in the widest sense as a multivalent communication action with technological commercial political ideological and theological implications where processes of mediated communication produce shared worlds and beliefs bringing together a range of voices promoting dialogue across a range of disciplines

each author approaches the topic of congregational music from his or her own perspective facilitating cross disciplinary connections while also showcasing a diversity of outlooks on the roles that music and media play in christian experience the authors break important new ground in understanding the ways that music media and religious belief and praxis become lived theology in our media age revealing the rich and diverse ways that people are living experiencing and negotiating faith and community through music

gypsy brothers series by lili st germain seven sons six brothers five miles four score three years two roads one love zero hour gypsy brothers series by lili st germain seven sons six brothers five miles four score three years two roads one love zero hour

gypsy folk tales by francis hindes groome first published in 1899 is a rare manuscript the original residing in one of the great libraries of the world this book is a reproduction of that original which has been scanned and cleaned by state of the art publishing tools for better readability and enhanced appreciation restoration editors mission is to bring long out of print manuscripts back to life some smudges annotations or unclear text may still exist due to permanent damage to the original work we believe the literary significance of the text justifies offering this reproduction allowing a new generation to appreciate it

written in his own unmistakable voice and with a new afterword by the author this is the frank and fascinating memoir by arguably the greatest bass player of his generation beginning with an east end childhood in a london barely recovered from the war he takes us on a journey through the beginnings of punk and post punk as a founding member of public image limited an illustrious forty year solo career which has seen collaborations musical greats such as u2 brian eno and can and a mercury music prize nomination through to the present day still playing to sell out audiences along the way we hear how wobble navigated chronic alcoholism and marital breakdown and has emerged as a national treasure if you ever wondered how got his name the answer is here his teenage pal sid vicious gave it to him when he drunkenly slurred wobble s real name john wardle

the position of george eliot s poetry within victorian poetry and within her own canon is crucial for an accurate picture of the writer as wendy s williams shows

in her in depth examination of eliot s poetry and her role as poetess williams argues that even more clearly than her fiction eliot s poetry reveals the development of her belief in sympathy as a replacement for orthodox religious views with knowledge of the bible and a firm understanding of society s expectations for female authorship eliot consciously participated in a tradition of women poets who relied on feminine piety and poetry to help refine society through compassion and fellow feeling williams examines eliot s poetry in relationship to her gender and sexual politics and her shifting religious beliefs showing that eliot s views on gender and religion informed her adoption of the poetess persona by taking into account eliot s poetess treatment of community and motherhood williams suggests readers come to view her not only as a writer of fiction an intellectual and a social commentator but also as a woman who longed to nurture participate in and foster human relationships
